Cafod Cake Store Joanna Powaga writes, “As a Parish we have been supporting
Cafod for years with a monthly direct debit of £55 and additional donations for
emergencies. Money came from Sunday coffee mornings. We’ve managed to
continue with our monthly donations but need more support from the parish as
tragedies continue all over the world and have not stopped ie Afghanistan appeal.
Our Cafod group will now run weekend cake stalls with cakes and jams available
each week in the Hall after the Saturday and Sunday Masses. Please support this
worthy cause and enjoy some lovely home bakes at 50p per item or £2 for 4. Jams
are £2 per jar.”

Guidelines for COVID safety The Bishops of
England and Wales have issued guidance for
the time ahead, emphasising the importance of
continuing “to create a safe environment in
places of worship.” For example, churches
should continue to provide sanitiser at entrances
and exits, continue the signing-in for acts of
worship, no restriction on the numbers allowed
for weddings and funerals other than determined
by the size of the church and the safety of those
attending. With the other Bishops, Bishop Terry
now strongly recommends that we maintain the
wearing of masks, social distancing, the service
of stewards, and continue the high standard of
sanitising the churches that we have so far
employed. “When it is felt at local level that
restrictions can be eased, this should be done
gradually, taking into account the state of the
spread of the virus and its effects on the local
community, society in general and the NHS.”

God Bless All Parishioners and Visitors, Fr James
