**Father James** is now out of hospital and is recovering under the care of his sister. He has other hospital visits to come, so won't be back in the parish this weekend and probably not next weekend either, though he hopes to be back for a weekend before he retires at the end of July. Please keep him in your prayers I know he's very appreciative of your concern, but perhaps keep phone calls to a minimum, let him phone you.

Father James will have told you that after he has retired, the Bishop has asked me to run Pocklington as well as Market Weighton. This is going to mean changes for both parishes. The Bishop has directed that I only celebrate three Parish Masses in a weekend. So that should mean both parishes will keep a Sunday Mass, but that we need to have only one Mass on a Saturday evening. Thanks to Canon Michael Ryan for celebrating our 7.00pm Mass this week. I will however celebrate the 9.30 Mass, which means the 9.30 will be fairly quick.

## The Feast of Saint Benedict

Gracious and Holy Father, give us the wisdom to discover You, the intelligence to understand You, the diligence to seek after You, the patience to wait for You, eyes to behold You, a heart to meditate upon You, and a life to proclaim You, through the power of the Spirit of Jesus, our Lord. Amen.

(a prayer attributed to Saint Benedict)
